.....**ACCESS Housing – 2nd floor conference table**.....

This presentation adds to your current household budget knowledge and can help with better understanding of :

- similarities/differences between banks and credit unions
- beginning stages of budgeting
- the 50/30/20 budgeting model
- needs vs wants
- emergency savings – why it's important and how to get started
- who looks at your credit
- credit score range
- the 5 categories that impact your credit score
- tools to use for both budgeting and monitoring credit

Parts of the presentation are interactive, so please bring your phone.

Please call our office (303-289-7078) to RSVP and if you need childcare. Light refreshments will be offered.
